2 East Road
Circle Pines, MN 55014

Date: Monday January 9, 2017
Final Written Test: April 20, 2017
Time: 6:00-10:00PM (Monday and Thursday Class)
Location: Andover Fire Station #1
13875 Crosstown Blvd, Andover, MN 55304

Description: This course will present the 7 modules of the updated National EMT Curriculum over 16 weeks. This course will emphasize the EMT role, safety concerns, Airway Management, Patient Assessment, Medical Emergencies, Trauma Emergencies, Infants and Children, and Ambulance Operations. Students will prepare for the National Registry of EMT practical and written exams offered after successful completion of course. As a result of successful national testing, students will obtain certification as an EMT for the state of Minnesota and National Registry of EMT. Refresher Course offered along with this program.

Class Prerequisites: AHA BLS, CPR certification, OSHA approved training in Hazardous Materials Awareness, National Incident Management System (NIMS) online courses: 100.b, 700

BLS, CPR Certification can be provided for an additional fee. (see website for links to free NIMS and Hazmat training opportunities)

Notes: Tuition and fees are due prior to the start of class and an attendance policy will be enforced.

Fisdap Preparation Testing included for EMT Students !
